Consent Form for 2022 ITTLA Heifer Futurity

I have read and agree to the rules for consigning, selling animals, and entering them in the Futurity. I hereby authorize the Indian Territory Texas Longhorn Association (ITTLA) and their authorized personnel show these animals in the Futurity. I do not hold the ITTLA or any person assisting with the sale/futurity responsible for any loss of health, loss of life, loss by theft, or other perils. I understand and agree that if a buyer is unable to accept delivery because of interstate health requirements, the consignor, not the ITTLA, shall be responsible for refund or adjustment. I also agree that all guarantees are strictly between the consignor and the purchaser and that the ITTLA assumes no responsibility or liability for guarantees.

FUTURITY WINNERS

All futurity winners will be allowed to sell in the **Texoma Spring Classic** on Saturday April 2, 2022, if you so desire. However, if you think your animal will win its class and will be entered into the sale, that animal must meet all health certificate requirements listed in the Texoma Spring Classic Consignment Rules. This includes Brucellosis (Bangs) and Tuberculosis test results listed on their health certificate. Since futurity entries not entered in the sale only require a health certificate with a veterinary visual inspection, please plan accordingly and get this additional testing done when you get your health certificate if you think you will enter a futurity winner in the sale. See the Texoma Spring Classic Consignment Rules for more information on their requirements.

If you choose to enter your futurity winner in the sale, you will not be required to pay the consignment fee, however the commission will apply.
